www.shenandoahtumblers.com

Shenandoah Tumblers, Inc. is a year round gymnastics and cheerleading training facility for children and young adults serving the Winchester/Frederick County area for over 22 years. These two sports have been recognized as an excellent means of personal development by creating and enhancing self-esteem, coordination, and the development of fine and gross motor skills.

Our experienced staff has devoted many hours of training to provide the best learning experience for your child in a safe and fun environment. A low student to teacher ratio gives each student the attention needed to help achieve their goals.

Come visit our program and take part in the positive development of your child's physical and mental growth. Try us out for **FREE**, we offer a 1 time try to all **NEW** students. There is no obligation to register and no contracts to sign. (Offer good only to non-existing members of Shenandoah Tumblers)

Our Mission

Our mission is to provide progressive training, safety, and as always "fun" to every member of our organization. Gymnastics and cheerleading provides for many great rewards both physically and mentally. Our goal is to teach the fundamentals of gymnastics and cheerleading to our students in a safe & fun environment. We use progressive training methods by allowing each student to develop individually.

Programs Offered

Toddlers *(for ages Walking to 3 1/2 years.)*

"Mom and Me" classes. This 45 minute program is designed to develop early motor skills, coordination, and spatial awareness. Activities include: jumping, climbing, use of obstacle courses, developmental trampoline skills, along with the introduction of gymnastics skills utilizing all of the apparatus. Moms and Dads should be prepared to move about, you are the child's primary instructor while a trained staff person guides you through the class. *8:1 ratio*

Developmental *(for ages 3 1/2 to 5 years.)*

Our 50 minute or 1-hour developmental classes are for children ranging in age from 3 1/2 to 5 years old. Usually this is a transitional class from the Toddler program. The children will work directly with one of our experienced instructors. The basic skills learned in the Toddler program will be reinforced along with a more enhanced focus on their gymnastics skills and elements. *7:1 ratio*

Girls/Boys *(for ages 6 years and older)*

The fundamentals of gymnastics are introduced to beginner level gymnast through the advanced level. Each gymnast will be evaluated two times a year through our progress reporting system to keep you in tune with their accomplishments. *8:1 ratio*

Home School *(any age)*

This class is developed for the home schooling students that need to fulfill physical education requirements. These classes are scheduled during the day for the convenience of the home school student and also enables the freedom of movement through the gym in a less busy atmosphere. *8:1 ratio*

Special Needs *(any age)*

The purpose of this program is to provide the students with sensory stimulation, movement, language and social challenges while introducing exercise in a safe and fun environment. Other goals include motor skill enhancement, ability to follow directions, build on self-confidence and boost self esteem in either a group setting or on an individual basis.

Cheer-Tumble *(7-18 years)*

Existing or new cheerleaders use this class to gain tumbling skills and flexibility for jumps needed to excel at cheering events. The cheerleaders will utilize our spring floors, 30-foot in-ground tumble-trak and large in-ground trampoline to help enhance these skills. *10:1 ratio*

Competitive Gymnastics

We believe that fundamentals and progression leads to a well rounded gymnast. While competitive gymnastics is an individual sport, there is a team element that brings these gymnast together.

Here at Shenandoah Tumblers, Inc. our competitive gymnastics teams compete under the rules and policies as set forth by USA Gymnastics Junior Olympic program. Our gymnasts train countless hours to achieve the goal of advancing to the State, Regional and National levels of competition.

Gymnastics is a life style and not just a sport. A typical training week consists of up to 16 hours spanning 4 days. Hard work and dedication are just some of the facets of being a competitive team member.
