MAY 2008

Reminder!

By popular demand our class schedule will remain year-round. No more standing in lines for summer classes or fall enrollment. If you are enrolled in a class now you are guaranteed that spot for the summer months as well as for the Fall 2008/2009 program. However, we have enhanced again our class schedule by adding some A.M. classes to help with your busy summer schedule. If you would like to switch to one on the A.M. classes for the summer months see Traci in the front office and she will be happy to assist you. At that time let her know which class you would prefer for the fall so she can reserve that for you too.
